# Worldflow Monitoring Service

Flow Research began the Worldflow Monitoring Service in 2002 as a way to keep you updated between flow studies. The Worldflow Monitoring Service consists of the following quarterly publications:

- Worldflow Barometer
- Worldflow Energy Monitor

**FLOW RESEARCH**  
27 Water Street  
Wakefield, MA 01880  
(781) 245-3200  
(781) 224-7552 (fax)

**A STEADY STREAM OF DATA IS COMING YOUR WAY**

**worldflow  
barometer**

*Worldflow Barometer is the component of Worldflow that focuses on the flowmeter industry. Every quarter, the Barometer shines its spotlight on the flowmeter industry, looking for important events to discuss or highlight.*

*We find the events, report them, and place them in the context of the flow industry. The Barometer explains and interprets the importance of new products, new technologies, mergers, and acquisitions. We give you the information and ideas you need to generate forecasts, make budget decisions, and implement winning strategies.*

Flow Research, Inc. | www.flowresearch.com

**A STEADY STREAM OF DATA IS COMING YOUR WAY**

**worldflow  
energy monitor**

**Oil & Gas  
Refining & Petrochemical  
Power & Renewables**

**Q3 2005**

*Every quarter the Worldflow Energy Monitor shines its spotlight on the oil & gas, refining & petrochemical, and power & renewables industries, looking for important events to discuss or highlight.*

*We find the events, report them, and place them in the context of the flow industry. The Monitor explains and interprets the importance of capital spending forecasts, the construction of new refineries and plants, and new regulations that affect the need for more instrumentation.*

*The Worldflow Monitor gives you the information you need for forecasting, marketing, and making decisions on product features.*

**FLOW RESEARCH**  
Flow Research, Inc.  
**A Worldflow Process Industry Monitor publication**

The Worldflow Barometer keeps you up-to-date on new products and changes within the flowmeter industry. The Energy Monitor is focused on the energy industries:

- Oil & Gas Production, Exploration, and Distribution
- Refining & Petrochemical
- Power & Renewables

In addition we do periodic Worldflow User Perspective surveys that keep you posted on changes in customer preferences and decision-making patterns. Periodic White Papers provide in-depth coverage on important topics in flow and energy.

Please use the E-Z Faxback Response Form on the other side of this page if you would like more information about our Worldflow Monitoring Service, or about any of our other studies. And thank you for your interest!
